

CUTTING EDGE

JANUARY 2025 | VOLUME 11

Dear JH family,

As the year comes to a close, I want to extend my warmest wishes to you and your families for a joyful Christmas and a prosperous New Year. This season is a time to reflect on our achievements, recharge, and look ahead to new opportunities.

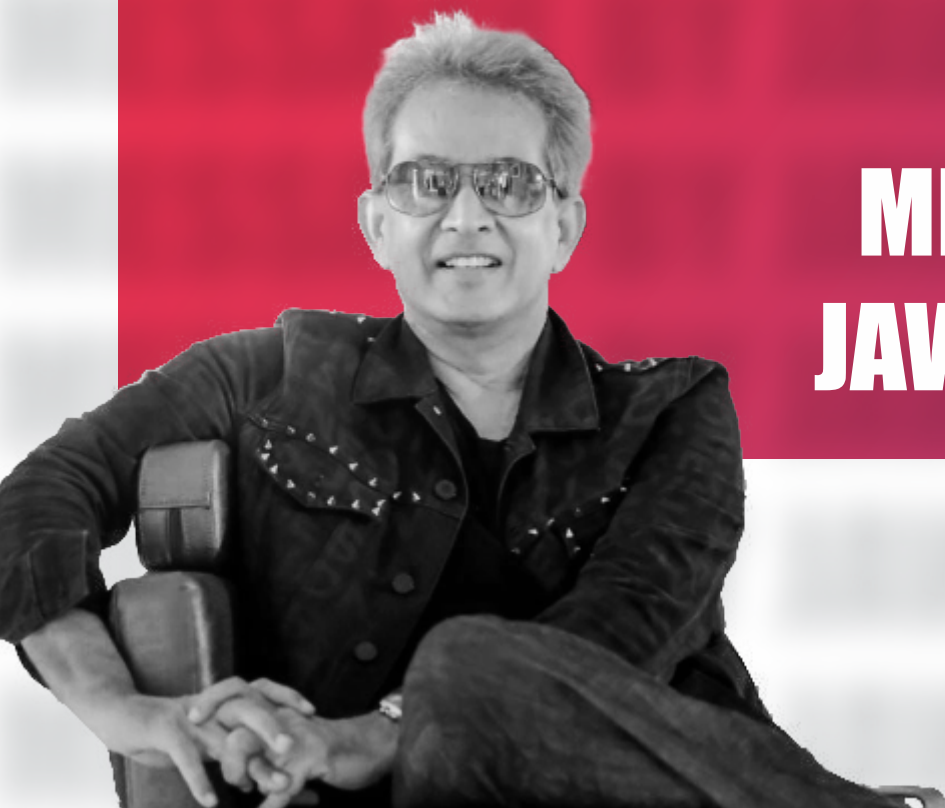

A highlight this year was the successful Franchise Leadership Conferences in Pune, Patna, Ranchi, and Kolkata. These events were a great opportunity for our franchisees to share ideas, celebrate our progress, and align on our vision moving forward. They highlighted the strength of our team and the power of collaboration.

Looking ahead, we plan to host similar events in more territories next year to continue building connections and driving innovation. These gatherings are vital in strengthening our network and propelling our brand to new heights.

As we step into 2025, I encourage you to approach the year with a positive mindset and a commitment to excellence. Your passion has been the foundation of our success, and together, we will make the coming year even more rewarding.

Wishing you and your loved ones a joyful holiday season!

Cheers!

PUNE FRANCHISEE MEET

The JH Franchise Leadership Conference held in Pune on 6th December was a resounding success! The event brought together over 40 franchise partners and brands associated with JH and served as a vibrant platform to discuss key topics, including challenges faced on the ground, innovative solutions through new company initiatives, and an exciting roadmap for the year ahead. What made the conference truly exceptional was the presence of esteemed guests from the UK, who brought their valuable international perspectives. Their insights resonated deeply as the brand gears up for its ambitious plans to expand globally. This milestone event reinforced the spirit of collaboration and innovation, setting the stage for an exciting future for our JH family.

Two Minds, One Mission

- Abhijeet Gilada & Sagar Kabra
(Pune Master Franchisee)

Mf in spotlight- Mr. Abhijeet Gilada and Mr. Sagar Kabra joined us during an incredibly challenging time, following the tragic loss of their friend and partner, our beloved Mr. Amol Taparia, during the COVID epidemic. In a moment of great need, they both courageously stepped forward, assuming leadership over one of JHHBL's largest territories, despite having no prior experience in the industry.

Through dedication and resilience, they have achieved remarkable growth, expanding the network of salons across Pune while upholding the brand's esteemed quality and standards. Their passion and motivation are a source of inspiration to us all. As they carry forward not only the legacy of Jawed Habib but also the profound contributions of Mr. Amol Taparia—whose work was instrumental in establishing the brand in Pune—we extend our heartfelt wishes for their joint continued success.

HEAD OFFICE CELEBRATION

At Jawed Habib's office, Christmas celebrations were filled with festive cheer and joy. The office was beautifully adorned with Christmas colors of green, white, and red, creating a warm and inviting atmosphere. The highlight of the celebration was the delicious spread of treats, including mouthwatering Christmas cakes and scrumptious cupcakes that delighted everyone. The Secret Santa exchange added an element of surprise and fun, with employees exchanging thoughtful gifts and spreading holiday spirit. It was a wonderful day, filled with laughter, kindness, and a true sense of togetherness.

Winter Skin Care Tips

Not all winter flakes are made of snow—cold, dry air and indoor heating can leave your skin dry and flaky. This leads to winter itch, but you can winter-proof your skin with these tips:

Cleanse gently:

Avoid harsh cleansers. Use cream-based products that cleanse without stripping natural oils.

Moisturize daily:

Opt for petroleum or cream-based moisturizers, especially for dry skin. For sensitive skin, choose fragrance-free options. Ingredients like glycerin, milk, honey, and hyaluronic acid work best. Apply moisturizer to wet skin after a bath to lock in moisture.

Limit hot water:

Take lukewarm showers and use non-irritating, non-detergent cleansers. Follow up with a thick moisturizer immediately after.

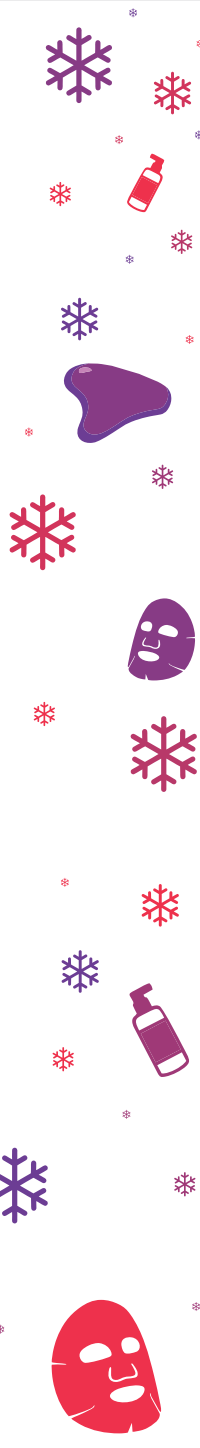

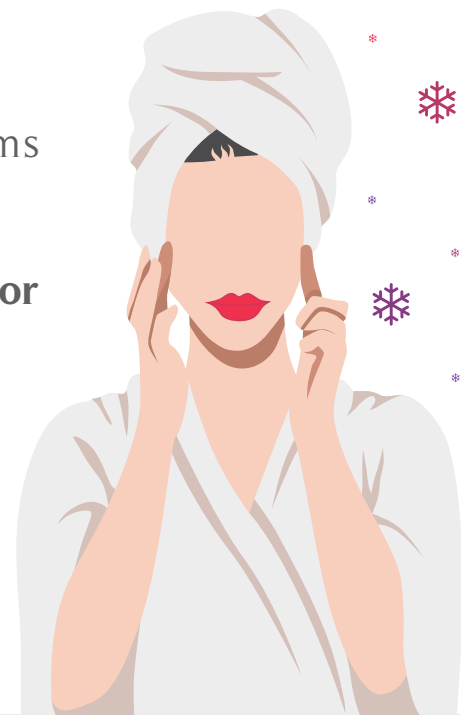

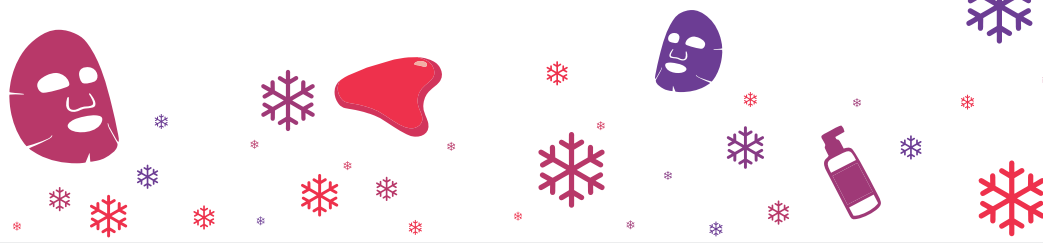

Protect from the wind:

Cover your face when heading outdoors in cold weather.

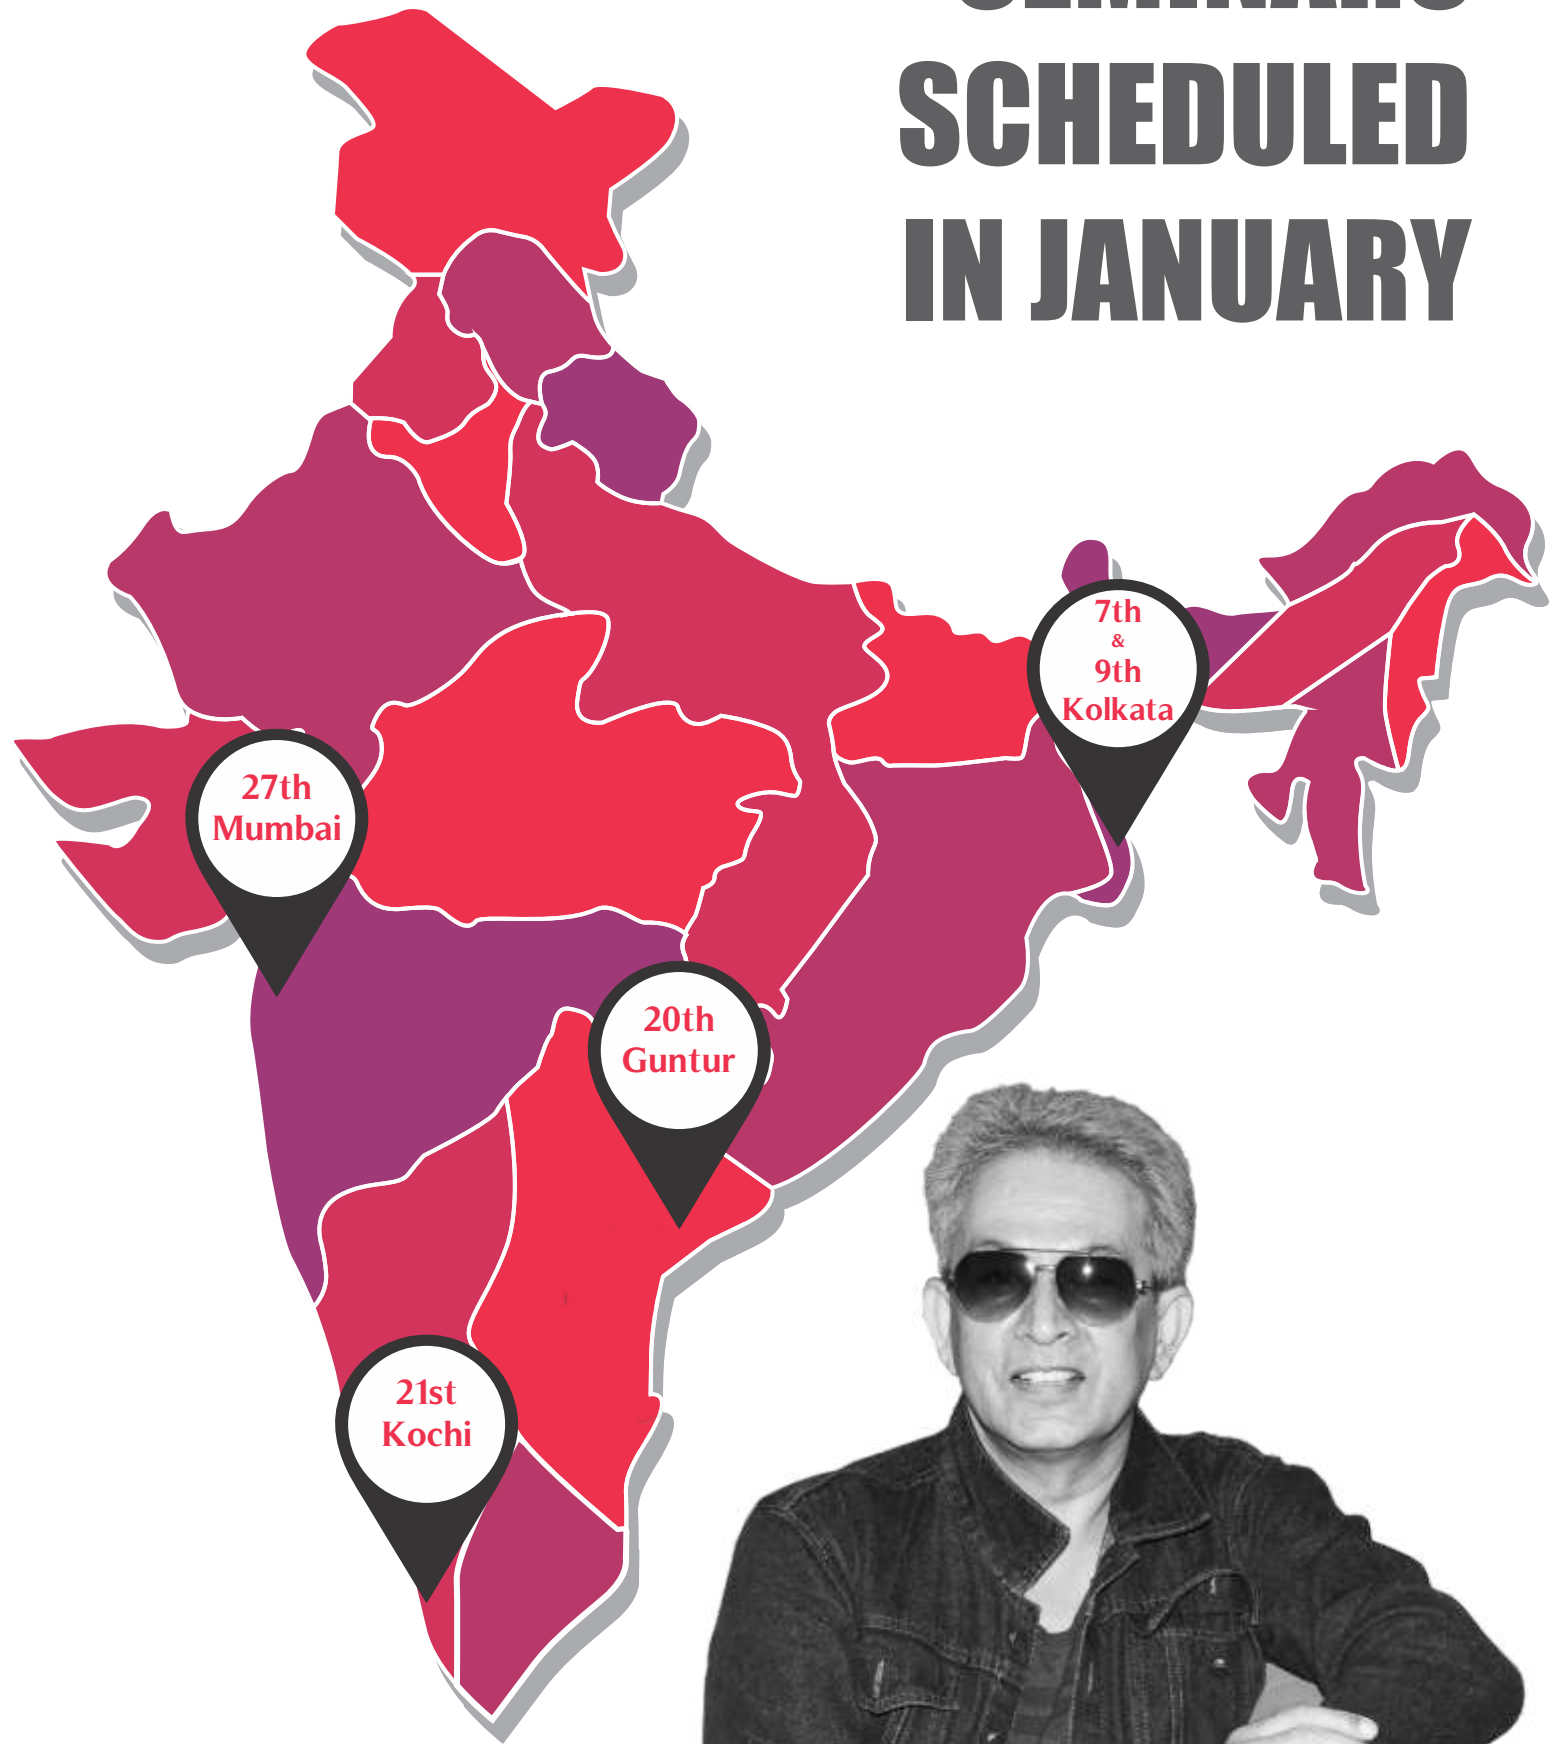

Combat dry lips:

Use petroleum jelly at night and moisturizing lip balms with SPF during the day.

Adjust your routine for both day and night care for consistent results.
